ABOUT US

The company was established in 2014 and is located in Zhangjiagang City, Jiangsu Province. We have 10 automatic production lines. The annual output of tool sets is two million. We produce, but are not limited to, hand tool sets, power tool sets, garden tool sets, wrenches and tool cabinets. Our products cover the Western European market, North American market, Russian market, South American market and Middle East market, etc.

The tool cabinet production factory-Shenxi, a subsidiary of Xingwotai, covers an area of 30,000 square meters and has more than 50 sets of production and processing equipment. We can achieve a monthly production target of over 10,000 tool cabinets. Our cabinets are popular in major markets around the world.

We have global sales channels serving directly large hardware and auto parts chain supermarkets, as well as various industrial users worldwide. And we are partners of many professional tool brands. At the same time, relying on domestic and foreign e-commerce platforms, we've provided diversified and high-quality products to global end users.

We'll continue to focus on our main business, adhering to the core concept of "customer first, continuous improvement, teamwork, innovation and mutual win", and commit to becoming a globally well-known enterprise in the tool industry to provide customers with better services.
